

ESM 150 – Flat shoe milling device for all Rieter 60" cards

The seatings of the synthetic flat shoes of the aluminum flat bars have to be re-milled/replaced from time to time since they are subject to wear and run-in to varying degrees. Graf offers a compact and simple machine for this purpose. Independent and precise single-step milling of the flat shoes of all Rieter 60" cards from C60 to C80 cards.

Technical data

- Length: 1'990 mm
- Width: 490 mm
- Height: 450 mm
- Weight: 210 kg
- Power supply: 220 V / 400 V

Product details
